

Autumn Song!

(to the tune of the wheels on the bus)

**The wind swirls around on autumn days,
Autumn days, autumn days.**

**The wind swirls around on autumn days,
Whoosh, whoosh, wheeeee!**

**The rain patters down on autumn days,
Autumn days, autumn days.**

**The rain patters down on autumn days,
Splish, splash, jump!**

**The air turns colder on autumn days,
Autumn days, autumn days.**

**The air turns colder on autumn days,
Brr, brr, brr.**
