Dig my garden

I dig my garden I dig, dig, dig.

I dig my garden I dig it deep.

I plant my seeds and watch them grow,
then a rabbit comes along and, oh, no

He eats my (chosen vegetable)

munch, munch, munch.

He eats my ("),

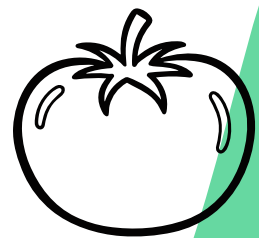

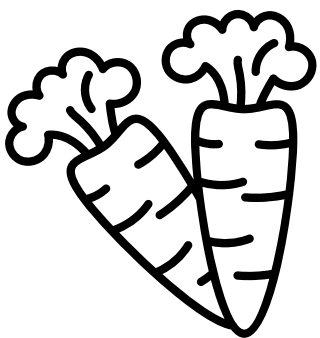

he eats the whole bunch

I run to the garden

and say shoo, shoo, shoo

but the rabbit comes back,

what shall I do?
