Who is at home?

Activity to support memory and understanding.

Add photos, drawings or Makaton symbols to represent each family member in the above boxes. Laminate and cut out, place Velcro dots on the back.

Take Page 1 and either laminate or place in a plastic wallet, add Velcro dots so you can place the people in place.

You can write places your family members might be in the rectangular boxes, e.g. work, school, shops, Grandma's House. Use a white board pen so you can change as appropriate

Position where accessible e.g. by door or on fridge.
